

What if some household members have no income to report? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. When this happens, please write “0” in the field. However, if any income fields are left empty or blank, those will **also** be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you **meant** to do so.

We are in the military. Do we report our income differently? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food or clothing, or receive Family Subsistence Supplemental Allowance payments, these must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

What if there isn't enough space on the application for my family? List any additional household members on a separate piece of paper and attach to your application. Contact www.usda.gov or call (866) 632-9992 to receive an application.

My family needs more help. Are there other programs we might apply for? To find out how to apply for SNAP benefits and to contact the Department of Social Services office in your town, contact United Way's free referral number **2-1-1** (free call, statewide).
